

Jim and Roberta Hughes Award

Award Terms and Conditions

The \$1,000 Jim and Roberta Hughes Award is presented to a swimmer to develop the swimmer's potential by the use of squads and/or lessons from a swimming coach.

The scholarship is to be paid in 4 x \$250 instalments:

- Presentation Day when the scholarship recipient is announced
- On or about the 2nd week of November
- On or about the 2nd week of February
- Presentation day at the end of the scholarship period

Continuing receipt of the scholarship is conditional on the following:

- The swimmer must be a financial member of the swim club for the duration of the scholarship period
- The award must be used for the whole calendar year and not just intensive course/s, therefore continual participation in squad swimming is required.
- The recipient must agree to continual commitment to swimming such as attendance at RSL club, Zone 6 and RSL State Championships (if qualified).
- A monthly report on progress is required to be presented at RSL Sub-Branch Youth Club meetings. Physical attendance by a parent at every meeting is not required; and reports may be sent via email where attendance is not possible.
- Traditionally, the family commits to assisting at race meetings, which can extend to taking up a committee position.
- Funds are to be used for coaching and directly related expenses.

If the award recipient is not able or not willing to comply with the above conditions, **the award may be terminated** with no further payments being made from the date of termination. The decision to terminate the award will be at the discretion of the RSL Sub-Branch Youth Club.
